MISSION

NFTs for all, built by the community.

The WAGMI Genesis NFT collection will provide the opportunity for holders to have an NFT collection on any EVM (Ethereum Virtual Machine) compatible blockchain with end-to-end NFT project development and management offered by the creative and entrepreneurial team at WAGMI Labz and associated partners. The collection will also provide the opportunity for HODLers to receive passive rewards within the NFT ecosystem that will be created by WAGMI.

The WAGMI NFT collection will comprise of 1,555 BSC- native NFTs that will be launched in Q4 of 2022 with the NFTs being offered in 3 different tiers (Basic, Rare and Super-Rare).

By purchasing either the Basic, Rare or Super-Rare NFT(s) the holder of the WAGMI NFT(s) will have a plethora of turnkey NFT creation services available to claim and utilise then to, create and bring to market their very own genesis NFT collection; or opt in to earn passive rewards.

WAGMI NFT "GENESIS COLLECTION" will be creating the next generation of worldwide MetaPreneurs entering the NFT ecosystem as seamlessly as possible. With the unique use and leverage of the well-versed team at WAGMI Labz who in turn utilise their experience in Web3 technology, creative solutions, NFT branding, market fit and all-inclusive NFT project management.

There will be a choice of 2 claimable utility options for each NFT buyer

OPTION A TURNKEY NFT PROJECT CREATION

This claimable option will enable the holders to be provided the opportunity to collaborate with the WAGMI Labz team to create their very own NFT collection; with a full and holistic project management and artistic direction approach. Dependant on the NFT(s) you hold will vary in services available to you, which include:

Custom Smart Contract Creation and Deployment
NFT Design Creation / Direction
Web3 NFT Landing Page Creation (with minting function embedded into the site) or full nft reward claiming dashboard
and everything needed

(Note: once this option has been claimed, your NFT will be burnt and will not be able to be claimed again)

OPTION A REVENUE EXAMPLE

75% of the revenue generated from the creation of their own NFT collection will be given to the claimer of the NFT

20% of the revenue generated will be distributed into the revenue pool (for Option B Hodlers)

5% of the revenue generated will be assigned to growing the WAGMI LABZ ecosystem

OPTION B "HODL 2 EARN"

This option will reward users who do not claim their Turnkey NFT creation service, instead, HODL their WAGMI NFT to have the opportunity to claim passive income from ALL of the NFT collections created by the community of WAGMI (Option A claimers).

The HODL option will provide holders a passive reward generation of a % revenue distributed amongst all Option B WAGMI NFT HODLERS;
with the revenues generated by those that claim Option A (Turnkey NFT Collection).

Opportunity to "HOLD 2 EARN" from multiple NFT projects. The WAGMI Genesis NFT Collection will empower each holder to be part of the Web3 revolution - become part of it; be the start of the revolution.

All NFT collections led by the community driven initiative will be known as the WAGMI Genesis NFT Collection.

OPTION 'B' REVENUE EXAMPLE

:

A collection created by a holder that selected option A sells 1,250 NFTs out of 1,500 NFTs.

The total revenues generated is \$1,000,000.00.
The passive income pool will comprise of 20% of the revenues generated from the entire NFT collection equating to \$200,000.00.

Distribution of \$200,000.00 would equate to:

500 Basic NFT holders (20% of \$200,000.00 will be distributed amongst 500 holders) would receive \$80
(equating to each holder obtaining 0.04% of the revenue pool)

300 Rare NFT holders (30% of \$200,000 will be distributed amongst 300 holders) would receive \$200
(equating to each holder obtaining 0.1% of the revenue pool)

200 Super Rare NFT holders (50% of \$200,000 will be distributed amongst 200 holders) would receive \$500
(equating to each holder obtaining 0.25% of the revenue pool)

In the unlikely event that EVERYONE chose to hodl the 1500 Genesis nfts or even if a very small Amount Was chosen to be made will not stop the hodlers earning as they also get 10% of of profits of all "CORE" Wagmi nft collections to the genesis holders , Again by way of claims through the dashboard

GENESIS HOLDERS WILL ALWAYS BE OUR VIPS
